Lodging: Test headquarters

under the **keyword "dog test"**, please reserve your room as soon as possible.

Admission requirements: With the IMP-A, only allows dogs that meet the breeding requirements in their country of origin by the entry deadline.

With the IMP-B, dogs will be admitted, for which no breed excluding faults were identified by the entry deadline (national breeding approval is not a prerequisite).

Exceptions will be decided on individually.

For each dog, a valid PET Passport (International Vaccination Card) with valid rabies vaccination must be presented. Also, an insurance certificate must be presented.

Handlers: Every handler must be in possession of a valid hunting license. For the field and water work, firearms and cartridges will be provided by the organizers and will only be shot by the judges for reasons of safety.

Game: Drag game for the test should be brought by the handlers. For reasons of veterinary health, drag game can also be provided by the organizer.

Meals: Meals will be provided during the test for handlers and judges.

Miscellaneous: All handlers will receive a program with group assignments on the day of arrival.
The official language is German.

Test regulations for the IMP (A & B) can be downloaded from the KIM-I website (www.klm-international.info).

Donations: Financial and donations in kind are welcome!
