**Admission-
Requirements:**

For the IMP A, only those dogs that fulfill the breeding requirements in their country of origin by the entry deadline.

For the IMP B, dogs will be admitted if no faults that prohibit breeding have been identified by the entry deadline (national breeding approval is not a requirement.)

A valid PET passport (international vaccination certificate) with Valid rabies vaccination must be provided for each dog.

Handlers:

Each handler must be in possession of a valid hunting license and carry it with them at the IMP. For foreign guests, firearms and ammunition for the field, forest, and water work will be provided by the organizer.

For handlers who do not have a Hungarian hunting license, shooting will be carried out by an authorized person.

Game:

Handlers may bring their own dead game for the individual test subjects.

Handlers who do not wish to bring their own dead game may, if they order in advance, purchase the game required for the test from the organizer.

The live duck for the water work is provided exclusively by the organizer.

Meals: Food will be provided for dog handlers and judges during the field test.

Other: All dog handlers will receive a program with the current group assignments on the day of arrival. The official language is German. The test regulations for the IMP (A and B) can be downloaded from the KIM-I website at www.klm-international.info (See "International Tests")

Donations: Financial and material donations are welcome!
